Dear Welcome Home Friends & Family,

Our year has run away so quickly. It is time once again to wish you a Wonderful Christ filled Christmas and a Blessed New Year!

November and December are months where I reflect on the faithfulness of our donors. You have helped us through another year. We appreciate you all and the sacrifices you make to support us financially and also those who make supplies for Welcome Home. The diapers, dresses, blankets made by donors from one side of the country to the other. For all those who pray as well we are so thankful. Our children are well cared for by you!

We did some “spring cleaning” in October and assembled the Christmas tree so the children have been very patiently waiting for decorations.

Jessica pictured top right went home to her grandma last year, but grandmas health has deteriorated and Jessica needed to return to us. Pray for her to be settled and at peace, and that we find a good future for her. Adoption out of Uganda is not an option because of the difficult process.

Uganda has unrest due to the January elections. In the west we have political conflicts but sadly in Uganda live bullets are used. Would you please pray for no more riots and associated loss of life.

For those following the Medical Clinic you can see the progress on the right. It is going to be a huge help to village families and a lot of burden lifted from us.. Be assured no orphanage funds go toward this project, only Clinic designated gifts.

Are you able to help us with some extra end of year giving for this tax year? It would help us get a good start into the new year.

Christmas Blessings from Mandy, and Your Welcome Home Family.
