## Dear Welcome Home Friends and Family,

This month I want to focus on our staff. They lovingly pour their lives into our children (who can be very difficult) year after year. They don't have microwaves, gas or electric ovens to prepare their family dinner after a days work. Many go home, collect wood, light a fire and cook from scratch. Most walk long distances to and from work. Their lives are not easy, yet they love the children.

Measles season has been and gone after having swept through most of the children. Praise God our children are back to good health.

June was a sad month for us at Welcome Home as we had to bid farewell to Leah who has returned to the USA. She had volunteered in working on child development with every child for the past 18 months. Many tears were shed. Thanks Leah!!!!!!

I want to let you know how much you our partners are appreciated. Without you we are not able to care for all the below listed treasures. Thank you all for your faithfulness in helping Welcome Home.

## Blessings from Mandy, and Your Welcome Home Family.
